"A person who gives in charity and hides it, so that his left hand does not know what right hand gives, is essentially a person who cares more about helping others with good deeds than what other people think of his good deeds. Let us all be discrete in our pledges and donations this year. Let us donate graciously as is expected of us & assist the many who are suffering right now."

A man came to the Prophet (PBUH) asking, 'Who among the people is the most worthy of my good companionship? The Prophet said, your mother. The man said, 'Then who?' The Prophet said, then your mother. The man further asked, 'Then who?' The Prophet said, then your mother. The man asked again, 'Then who?' The Prophet replied, then your father.' (Bukhari and Muslim)
